The Nominations Committee will contact every person submitted to see if they are interested in running. The expectations of a Governor will be explained at that time, along with the details of the process.

2

The Nominations Committee will generate a list of 4 to 8 potential candidates from those who accept their nomination, and present it to the Board.

3

The Board will vote on each potential candidate, and anyone receiving 9 or more "Yes" votes will be a Candidate.

4

At Convention, the delegates will elect 4 Governors from the list of Candidates.
